## Hazelton Road Reconstruction Project

Dear Stakeholder:

### Construction: Stage 2

The contractor has nearly completed the subgrade preparation and placement of aggregate base. They plan to place curb and gutter next Monday. Paving is planned to begin Thursday, June 19 west of the Rue De France entrance in an attempt to open Hazelton Road to France Avenue.

### Detour

Detour signage directing patrons to local businesses is in place. The detour route directs patrons to use 70th Street and York Avenue to access local businesses.

The contractor will revise the signing and striping on 70th Street as it approaches York Avenue. Flags will be placed to emphasize the changes.

### Pedestrian Access

We encourage pedestrians to use the promenade sidewalk and trail system and avoid the project area.

### Contact Information

Should you have any questions or concerns during the project, please contact Andrew Plowman at 763-287-7149 or email at [aplowman@wsbeng.com](mailto:aplowman@wsbeng.com)

### Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

### Who to Contact in an Emergency

9-1-1 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE  
Project Manager  
WSB & Associates, Inc.
